1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Tega Water Service and I'm protesting against the 50% rate increase that the company has announced.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We are protesting this rate increase because we already pay exaggerated fees for our water. They are the highest in the region and in the state of South Carolina. We recently had an unknown leak that increased our water bill 4-times the amount. I called the water company to rectify and they gave me zero credit.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Yes, if job allows.
